REPORT FOR OCCOLD PARISH COUNCIL MEETING – 12/09/2011.

Reported Crimes.

Since the last report there have been no reported crimes in Occold.

Security for Autumn.

With the darker nights fast approaching please consider the security of Garages, Sheds and workshops. Where possible install security lighting and fit secure locks to protect mowers, bicycles, tools and electrical equipment.

The prospect of cooler weather means oil tanks are being topped up and again please ensure you fit adequate means to protect your investment, including screening, lighting and padlock alarms.

Vehicles should be secured in garages or parked in open well-lit areas. Take pictures of valuable items and record their identification numbers or register them on the National database "Immobilise." If you have valuable equipment consider having tracking device fitted.

Be safe and when out and about on foot make sure you can be seen by wearing reflective clothing.

IF YOU HAVE INFORMATION OR ARE SUSPICIOUS ABOUT ANYTHING REPORT IT ON 01473 613500 AND IF YOU THINK A CRIME IS BEING COMMITTED ALWAYS DIAL 999.

HOW ARE WE DOING

Suffolk is a very safe County, Crime levels, based on our end of year figures, show that crime levels have reduced for the 5th year in succession meaning crime levels are at their lowest for a decade.

Priorities

- Along with our partners, we are committed to reducing crime and anti-social behaviour across the county. Together we have developed Minimum Standards of service for victims and witnesses of anti-social behaviour, ensuring a high level of service is provided across the county.

The current Priorities for Mid Suffolk Central are:-

- The enforcement of recently introduced 20mph Temporary Speed Restriction at Green Hill, Coddendam, IP6 9PU and provide reassurance and promote Road Safety in the area.
- To tackle resident identified anti social behaviour by local youths at the bus shelter in Hockey Hill Wetheringsett IP14 5PL.
- To conduct checks at schools and Churches in the IP14 area, to monitor security, but specifically to combat lead and heating oil thefts.
