### Mid Suffolk Central Safer Neighbourhood Team

#### **Report for Occold Parish Council Meeting 14.07.2008**

#### Reported Crimes

Since the 9<sup>th</sup> June 2008, there have been no reported crimes.

This is excellent news.

#### Heating Oil Thefts

Heating Oil theft is on the rise in the rural Areas of Suffolk, due to the rise in the cost of petrol. All the offenders need to do is add a chemical to the oil & it can be used in diesel cars.

If you have a Heating Oil tank on your premises, here are a couple of suggestions to make your Tank less easier to get to:

1. Screen your Tanks with fencing or Hedges
2. Makes sure gates to your rear garden is locked
3. Security lighting – will activate when someone walks past
4. Regularly check your Fuel Levels

#### Neighbourhood Watch

The neighbourhood watch newsletter has just been started up again. The newsletter is currently being put together by each SNT on a trial basis. It can be viewed on our website.

We will soon be sending letters out to all residents of Occold for new Neighbourhood Watch Co-ordinators as the previous co-ordinator has resigned. We will be looking for at least 3 co-ordinators so all parts of Occold are covered. If anyone is interested in becoming 1 of the next co-ordinators, please contact **PCSO 3170 Emma Cowell** by the e-mail below & put **Occold Neighbourhood Watch** in the subject field.
