

Safer Neighbourhood Teams

Crime

There are no crimes to report for the village of Occold during the months of July and August.

Team News

I am no longer the only police officer on the team at Debenham. Pc 1546 Andrew Pursehouse has joined us, having previously worked as a response officer covering the Eye area.

A Uniform Approach

You will soon see us out and about in our new uniforms. These are being introduced to all frontline police officers, PCSOs and Special constables. We are keeping the same black trousers and our white shirts will be replaced by a black "wicking" shirt for PCs and Specials and a blue one for PCSOs. The "wicking" fabric draws moisture away from the body, keeping us cool when we are wearing our body armour. Our lovely itchy knitted blue jumpers are being replaced with a black fleece. A high visibility load carrying vest will cover our body armour doing away with our equipment belts. These carriers remove the weight from our lower backs and waists as many officers now suffer from lower back problems due to the belt. The new uniform will be rolled out from now until Spring 2010.

Photocard Driving Licences

Do you know the renewal date of your photocard driving licence?

Do you know you should renew it every ten years?

Check your cards now..... you will normally receive a reminder from the DVLA, but not if you haven't told them of a change of address!

If you fail to renew your licence you will have lost your entitlement to drive and you may get fined for having an out of date licence or for NOT advising a change of address.

Is your electric blanket safe?

What a thought in August! But I suppose it won't be long before the winter duvets etc start to make an appearance.

Free electric blanket tests are being carried out by the fire service throughout the county, the most local being;

Stowmarket 1st October

Ipswich 2nd October

Bury St Edmunds 7th October

Bramford 9th October.

To arrange your free test call 01473 260586 to book an appointment

Quality of service

If you would like to tell us your views on the service that you have received from us or just to say how nice it is to see a Police Officer in your village, please let us know. We appreciate all feedback & comments from residents within our SNT area.
